

UNITED WAY ALICE
 Do you know ALICE?
LIVE UNITED

Yes. You know ALICE.

Your co-worker comes to the office ready to give it his all, yet you don't realize that his wife is losing her battle with cancer. The lost income and piles of medical bills make it nearly impossible for them to meet their monthly needs.

ALICE is a United Way acronym that stands for asset limited, income constrained, employed. It's men and women of all ages and races who go to work every day, yet struggle to meet their basic monthly budget.

ALICE is one emergency, car repair or doctors visit away from poverty.

YOU CAN HELP. GIVE TODAY.
