**CHANGING MY LIFE**

# Join the **Fight** for Doris.

Doris is a client of **Combined Community Action's Meals on Wheels** program. She lost most of her home and possessions in the 2015 floods. Doris has several chronic medical conditions and rarely leaves her property but they have not prevented her from having a generous heart and bright spirit.

The volunteers for Meals on Wheels are usually the only people she sees and yet she greets them with a warm smile and, before the pandemic, a huge hug. Without Meals on Wheels, Doris and the other 500 plus senior adults throughout Hays and Caldwell Counties would not have proper nutrition and many times, social contact.

Your donation makes it possible to serve and help hundreds of our community members who are need of hot meals and a caring volunteer to check on them.
